

WildCare Inc's 2016 WildCamp

July 11-15

This day-camp is for children entering grades K and 6, located at our Center 198 N. Hartstrait Road, Bloomington, IN 47404 from 9 AM to 3 PM. Daily snacks and a t-shirt are provided, but attendees should bring a sack lunch. Cost is \$250 per child. Enrollment is limited.

Let WildCare help connect your child to nature with direct observation and study of animals through owl pellets, bones, feet, beaks/jaws, nature projects, and close encounters with our wildlife ambassadors. Certified wildlife rehabilitators will take your child on a week-long journey of science activities, games, and fun all geared toward teaching them to appreciate our wild neighbors and the importance of living in harmony with them.

Because wild animals have a high stress level and the children will be seeing them up close, they must be able to follow instructions and work within a group. WildCare is a licensed rehabilitation facility, and the care of the animals, the safety of the children, and our licensing rules will dictate the children's level of involvement.

If your child would like to be part of this experience, mail the completed registration form along with your non-refundable \$100 deposit to WildCare Inc. The balance of the tuition will be due 2 weeks prior to camp on June 27th. (Slots will go to those on the waiting list if the balance is not received.)

Name of Child _____

Print first name exactly as it should appear on the name tag
