

198 N HARTSTRAIT ROAD BLOOMINGTON, IN 47404

Let WildCare help connect your child to nature with direct observations and the study of animals through interactive games, up-close wildlife encounters, hands-on projects and crafts, and much more! Our wildlife educators will take your child on a week-long journey of science-based activities geared towards teaching them to appreciate our wild neighbors and the importance of living in harmony with them.

Because wild animals have a high stress level and the children will be seeing them up close, campers must be able to follow instructions and work in a group. WildCare Inc. is a licensed wildlife rehabilitation facility, so the care of the animals and the safety of the children will dictate the children's level of involvement.

WildCamp is a day camp offered July 13th – 17th, 2020, for children entering grades 1 through 6. Tuition costs \$250 per child. Enrollment is limited. Tuition includes a daily snack and a camp t-shirt. Campers should bring a sack lunch. If you would like your child to be part of this experience, please complete the registration form and email it to wildcareinceducation@gmail.com. A non-refundable deposit of \$100 will be required to secure your child's spot at camp. The remaining balance will be due no later than 2 weeks prior to the start of camp. If tuition is not paid in full by the deadline, the slot will be offered to a child on the waiting list.
